Connecting and inspiring through traditional music and dance

Welcome to the 20th annual Dance Flurry!

Tradition.

We stand on it, embrace it, seek to preserve it.

And you succeeded in doing just that.

This February, after the great Dancing-in-the-Dark Flurry of '06, we will gather in Saratoga Springs for the 20th Annual Dance Flurry Festival. We set about the task of rising from the ashes - and were rescued in record time by the most supportive community of musicians and dancers anywhere. Thank you so much!

Many people think of the Flurry as a participatory dance festival only. It's so much more than that. It's many festivals in one: among the over 260 scheduled sessions, we have more than 50 instrumental music sessions, more than 30 concerts, more than 20 family and children's events, more than 15 participatory singing sessions and 15 organized jam sessions, and 25 dancing classes for beginners.

In an era of sameness and instant gratification, we present time-tested traditions of dance and music from a multitude of ethnic backgrounds from five continents. Sessions from Italy, France, Germany, Ireland, England Scotland, Sardinia, the Balkans, Israel, Spain, West Africa, Venezuela, Brazil, Quebec, China, the Caribbean and North America.

The 2007 Flurry schedule will be much like what should have been for 2006, which was put on hold and replaced by an improvised lineup of performers, due to last winter's storm. We've added some great acts, and made a few changes in the workshop and dance sessions. We're ready to present an incredible weekend of events!

So, please, go forth and tell the world that we're back, stronger than ever - and our mission, and that of the DanceFlurry Organization, is "to connect and inspire through traditional music and dance..."

We will see you at the dance, "we'll leave the lights on for you."

Universal Preservation Hall under consideration

Possible new venue for Dance Flurry 2008

Come catch one of the tours of the Universal Preservation Hall, Saturday, February 17, between 1-3pm. We're excited about the prospect of this historic Saratoga venue being available for Flurry 2008! Due to renovations, the hall was unavailable for this year's festival. With its wooden floors, movable chairs, and gothic architecture, UPH will be a comfortable and breathtaking festival addition.

In fall of 2001, members of the Saratoga Springs community and the Universal Baptist Church joined together to form a unique, nonreligious, not-for-profit corporation known as the Saratoga Springs Universal Preservation Hall, LLC, to save the Universal Baptist Church building at 25 Washington Street, and transform it into a significant and high-quality meeting, event and performance venue.

The church building has significant historic and architectural importance and is located in one of Saratoga Springs' National Historic Districts. Built in 1871 by a Methodist Episcopal congregation, it is one of the earliest examples of High Victorian Gothic architecture in the country. Its steeple, with a giant Meneely bell, is one of the city's last tall spires. In 1999, in recognition of the building's significance, a joint program of the White House Millennium Council and the National Trust for Historic Preservation designated the church as an official project of Save America's Treasures.

The group restoring the building is planning on having a wooden floor and movable seating! The Flurry Planning committee has reserved the space for next year's event.

For information about UPH, visit www.universalpreservationhall.org.

UPH is located at 25 Washington Street, which is six blocks south of the City Center. The building is about four doors behind Starbucks.

Saratoga Music Hall is part of region's cultural heritage

Saratoga Music Hall's cultural heritage dates back more than a century. This photograph shows a large group enjoying the second Musical Convention held in Saratoga from Jan. 28-31, 1873. An outgrowth of local efforts to promote music appreciation, the concerts were conducted by Professor L. O. Emerson. J.P. Cobb was the distinguished pianist. The conventions drew talented musicians from as far away as Boston, plus local singers from the villages surrounding Saratoga.

PERFORMERS FUNDED IN PART BY NYSCA

Genticorum

Genticorum is an energetic and original Quebecois traditional music trio. Well rooted in the music of their native province, the band also incorporates the dynamism of today's North American and European folk cultures.

Weaving wooden flute, fiddle, acoustic guitar, jaw harp, bass, foot percussion and strong vocal harmony, the trio produces a tapestry of musical textures giving them their distinctive sound.

GENTICORUM CONCERT
Saturday, 11a.m.
The Parting Glass

This trio from Montreal offers a rich Quebecois repertoire of captivatingly crooked traditional tunes and tongue-in-cheek songs. With special guest step-dancer extraordinaire Jean-François Berthiaume.

WOODY GUTHRIE IN SONG & DANCE
Saturday, 1:45 p.m.
The Parting Glass

Vanaver Caravan presents an exciting evening of dance & music inspired by the "father of the American folksong revival," Woody Guthrie. This full concert work, created by Bill and Livia Vanaver, is a celebration in music, song, and dance of Woody Guthrie the balladeer, and Woody Guthrie the man… hear the instruments and musical styles of Woody's America: "Old Timey" and Bluegrass banjo; Carter Family style autoharp and harmonies; Southern, Western, and New England style fiddling; along with Leadbelly's 12 string guitar style.

Vanaver Caravan

Since 1971, Bill Vanaver and Livia Drapkin Vanaver have been collecting, teaching and performing American and world dance and music. For the past 32 years, their company, The Vanaver Caravan dancers and musicians, have been touring the world with a wide collection of international and original dances.

In 1990, Bill and Livia formed the Caravan Kids, a talented group of young performers, ages 8-17, who dance and sing at Vanaver Caravan concerts and festivals. Their performance is a highly skilled and spirited cornucopia of traditional melodies, rhythms, stories and languages from more than 15 cultures. Members are drawn from the Vanaver Caravan Dance Institute and from residencies held throughout NYS. The Vanaver Caravan also wishes to gratefully acknowledge public support from the Dance Program of the New York State Council on the Arts.

PERCUSSIVE DANCE FESTIVAL
Saturday, 6:30 p.m.
Saratoga Music Hall

From clogging and Irish step-dancing, to body percussion and South African Gum Boot Dancing, the dancers of Vanaver Caravan are joined by Jean-François Berthiaume, Declan Crowley, Trish Miller, Maria Zemantauski, Roberta Byam, Lisa Martinez, Rose Sinclair, Paula Bradley and Stefanie Weber to present a sample of the world's percussive dance styles.

Maria Zemantauski / Lisa Martinez / Rebecca Byam

Maria Zemantauski is one of the world's few heralded female flamenco guitarists, and one of even fewer female flamenco composers. She has performed in Spain and across the continental United States to great acclaim. Maria's programs are a dynamic blend of artistic freedom, innovation and tradition.

FLAMENCO! MUSIC & DANCE CONCERT
Saturday, 3 p.m.
The Parting Glass

Flamenco is the art form associated with the Andalusian region of southern Spain. Composed of cante (singing), baile (dancing) and toque (guitar playing), it is a passionate display of emotion, characterized by zapateado, percussive heelwork and baile de brazos, flowing arm and hand movements. As an accompaniment to the dance, the guitarist watches and listens closely to the dancer; sometimes imitating her percussive heels and oftentimes complimenting her movements. Accompanied by dancers Lisa Martinez and Rebecca Byam.

The Great Bear Trio is an exciting and energetic family band from Fulton, NY, performing their unique blend of Celtic, French-Canadian, Scandinavian and Appalachian music at concerts, festivals, schools and dance halls across the Northeast.

Brothers Andrew and Noah VanNorstrand are already well-known and respected musicians at the impressive ages of seventeen and sixteen respectively. Andrew often takes the lead on fiddle or nyckelharpa (Swedish keyed-fiddle), as well as playing accompaniment on guitar, bouzouki and banjo. Noah is also a gifted fiddler and mandolin player but he adds a powerful groove to Great Bear on an assortment of world-beat percussion instruments including the African djembe and the Australian didgeridoo. The boys are joined by their mother Kim, playing a solid and inventive style of piano all her own.

GREAT BEAR TRIO CONCERT

CELTIC MUSIC OF BRITTANY
Sunday, 12 noon
The Parting Glass

Experience the fascinating music of Brittany and Central France with Trouz Bras. A collage of traditional Breton, neo Breton, French, Irish and contemporary pop with shades of Bossa Nova. Will you be able to sit still?

Trouz Bras

Trouz Bras (pronounced "True Brazz") means "Great Sound" or "Big Noise" in the Celtic language of Brittany. It is also a band in New England which performs the dance music of Brittany. Trouz Bras combines swirling bagpipes and soaring fiddle with a rocking rhythm section. The band is led by bagpiper and vocalist Ray Price, a native Welshman who has expanded his Celtic roots to become a global ambassador of Breton music and dance. Trouz Bras offers an authentic and invigorating opportunity to hear (and dance to) this mesmerizing music in the USA. Trouz Bras, is both traditional and innovative in its approach, with a touch of humor as well.

Join the Dance! Try English Country Dancing

"There are shortcuts to happiness, and dancing is one of them" (Vicki Baum)

If you've seen any Jane Austen films you've had a glimpse of this easy, graceful and elegant dance form. English Country dancing is highly social, you get to meet and dance with lots of people. You don't need to bring a partner. It's relaxing. You can escape the frenzy of the 21st century and return to a more civilized and elegant era. The gentle aerobic dance movements are good for the body and the brain.

To get started on the right foot, take a few lessons. It will speed up your learning and increase your enjoyment. You'll soon learn to dance confidently and with zest.

Festival History

It was pure luck that the Dance Flurry Festival came into being.

In 1987, Nancy Gretta and Paul Rosenberg were car-pooling to the Brattleboro, Vermont, Labor Day Dawn Dance. As they drove, they reminisced about how wonderful the one and only Old Songs Winter Dance Fest had been. In the Autumn of 1986, the 2nd annual Winter Dance Fest was in the planning stages when the director stepped down, and Nancy had just learned that August that the 1988 festival was also canceled. She asked Paul (partially in jest) if he would organize a replacement festival.

The wheels began to spin, and Paul thought a smaller, one-day winter dance festival could be a logical extension of the Schenectady contra dance series, which he had developed earlier in 1987. This series was unique because it was totally dedicated to the showcasing and development of callers and musicians from within the Capital District of New York State.

The Hudson-Mohawk Country Dancers (later known as Hudson-Mohawk Traditional Dances, Inc., and now d/b/a DanceFlurry Organization) was formed as a not-for-profit chapter of the Country Dance and Song Society (CDSS) around 1987. This enabled the organization to be eligible for grants, and helped it to obtain federal and state tax-exempt status.

The first February Dance Flurry was a one-day festival held at the Westmere Elementary School in Guilderland, NY, on February 13, 1988. Over 300 dancers attended a highly successful event, staffed entirely by 38 local and regional performers, including Jay Ungar, Molly Mason, George Wilson, Selma Kaplan, Pat Rust, Mary Cay Brass, Van Kaynor and the St. Regis String Band.

The Dance Flurry Festival evolved to become a three-day extravaganza of music, concerts, workshops and dance, which was held for five years at the Farnsworth Middle School in Guilderland. In 1994, just two-and-a-half weeks before the Flurry, very cold weather burst water pipes in the school's gymnasium and ruined the floor. The Flurry organizers scrambled to find an alternative venue, and managed to cobble together a festival held at several venues in the city of Saratoga Springs. Saratoga Springs has been the home of the Dance Flurry ever since, and the attendance — including over 600 performers and 300 Flurry staff and volunteers — has climbed to nearly 5,000.

Now in its twentieth year, the Dance Flurry Festival is one of the largest and most varied music and dance festivals on the east coast. With the support of its volunteers, the dance community, its host city, and especially those who enter its doors year after year, the Festival will continue to offer the sights, sounds and traditions of music and dance that have been handed down for generations.

And a Very Special Thank You...

The Dance Flurry Festival Planning Committee and the DanceFlurry Organization would like to thank The City of Saratoga Springs and the Commissioner and Staff at the Department of Public works for donating the use of the space at the Canfield Casino, and the Music Hall at the Saratoga Springs City Hall for our use for the 2007 festival. The donation of this space has helped us to recover from the cancellation of last year's festival.

The Dance Flurry Festival Planning Committee and the DanceFlurry Organization would like to thank New York State Assembly Minority Leader, James Tedisco, for his help in facilitating the grant for $10,000 from The New York State Office of Parks, Recreation and Historic Preservation. Such support is crucial to our organization, and allows us to continue to offer a rich variety of cultural, traditional music and dance to the public.

"It is my pleasure to have been able to support the Dance Flurry Festival with a state grant. I have long been a strong supporter of the arts, and believe in the power of art to heal, to bring joy and to inspire. The arts are an important part of our community character, our quality of life and our economy. Festivals such as these offer people of all ages the opportunity to experience and appreciate the wonderful and unique cultures and artistry that may not always be readily available. I congratulate the organizers and performers and look forward to another 20 years and more of the festival."

— James Tedisco, New York State Assembly Minority Leader

The Quilt and Room/Ticket Raffles are a fundraiser to benefit Hudson-Mohawk Traditional dances, Inc., d/b/a DanceFlurry Organization, sponsor of the Dance Flurry Festival and local contra, swing, English, Cajun/Zydeco, and family dances. HMTD, Inc. is a not-for-profit, tax-exempt arts and education organization.

DEAR 'FRIENDS OF THE FLURRY' - THANK YOU!

This has been an exceptional year for the Dance Flurry Festival. Most of us remember last Presidents' Day weekend and the powerful windstorm that swept through the Saratoga region knocking out power to thousands of area residents and businesses. Undaunted by the darkness that surrounded them, our fearless Festival organizers scrambled to offer a shortened version of the Festival using portable generators for light and power. Many dancers and musicians who traveled long distances to get to the Festival were grateful for the few hours of fun we were able to provide.

The Dance Flurry Organization, sponsor of the Festival, started the DanceFlurry Angel Appeal campaign to overcome our huge financial loss. Frankly, we were amazed at the depth of generosity in the Dance Flurry community. **About 450 people made financial donations. Over half of the donations were for $100 or more.** Many musicians donated half or all of their fee. Many participants donated their admission tickets. Within six months we made a full financial recovery.

A THOUSAND THANK YOUS TO ALL OF YOU WHO HELPED KEEP THIS WONDERFUL FESTIVAL ALIVE!

We gratefully acknowledge the support of all our donors. However, our policy is to protect the privacy of our donors as much as possible, so we are only listing those few donors who gave us permission to publish their names. We apologize to anyone who would like to have been included in this list but was not. Let us know if you would like your name to be listed as a donor in future publications.
